

HVSC AMENDMENTS APRIL 2021 AND IN SERVICE VIRM AMENDMENTS

Please find attached two consultation documents for the April 2021 VIRM: In-service certification amendment.

Details of the changes are outlined in each of the attached PDF files.

The former will be of most interest to heavy vehicle users and owners as it does provide a level of discretion relating to categories of vehicle repair that require engineering supervision and sign-off

Please send any feedback directly to vehicles@nzta.govt.nz by COB Tuesday 16 February 2021. The short notice is result of the office shut down through the Waitangi holiday 2021.
